Dear Sir:

On August 8, 2006, the Examiner and the Applicants' below-signed representative discussed the prior art of record and the difference between the claimed subject matter and the art of record. No other exhibits, illustrations, other prior art, other prior art rejections, or any other pertinent matters, as set forth in MPEP §713.04, were discussed during the telephonic interview. No agreement was reached on the outstanding prior art rejections.

Pursuant to MPEP §713.04, the Applicant respectfully requests the examiner to check the accuracy of this interview summary and respond to the same, if unacceptable. This written reply is being filed before the one-month time frame indicated on the interview summary.
